There is every indication that within any by very many idle people in this city. New being draped in a point at back and field every claim of honesty, and at the table talk? Beat one and one-half cups of sugar with one-half of a cup of butter to a

reason for this astonishing custom. Perhaps some effective ornament formed of jet sequins tripe with sait and pepper and cover it tion of the and cabochons fastening the yoke in with flour, then brown it on both sides veller. the centre of the back and the front. In the hot bacon fat. Take it carefully The lower part of the bodice is of white out of the fat and put it on a hot dish; satin covered with very beautiful creamy; add one tablespoonful of flour to the fat good, while the combination of materials one tablespoonful of vinegar; sait and pepper to taste. Pour it over the tripe and serve very hot. Sherry may be used instead of vinegar, if liked.

Crossing the Leas.

the privacy of our own rooms, since it invites serious physical ills. Men, when free from restraint, seldom sit with their two feet on the floor; they raise one till the ankle rests lightly across the other knee, and no harm is done. Women rest the entire weight of one leg upon the upper part of the other; the pressure injures the sensitive nerves and muscles, and often produces sciatica and other serious troubles. Gerne and Ducks.

ner-it may be painted there if one is clever with the brush, or a genuine stamp affixed in the usual way. A ribbon loop is attached to one corner by One quart of milk, four eggs, two tablespoonfuls of cornstarch, one-half
